

Muhammad Ali Raza

FULL STACK ENGINEER

Business and Computer Science Double Degree,
Specializing in Fintech

WORK EXPERIENCE

● Dashubs / Back-end Developer

KL, Malaysia

Dec 2024 - current

- Designed and built backend architecture for Dashubs, a peer-to-peer marketplace helping students to buy and sell second-hand goods via mobile app.
- Designed and implemented the database schema, server-side logic, and core APIs to support a scalable and performant backend system.
- Coordinated with product leads to enable intergration of the backend with a proposed future frontend.

● Petville Global / Deputy Chief of Staff

KL, Malaysia

Dec 2023 - Sep 2024

- Supported a tech-driven online pet-care marketplace startup, by managing sales, operations and assisting in team coordination for web and app development.
- Led the day-to-day oversight of sales activities, while liaising between the business and tech teams to streamline project workflows.
- Contributed to app development, gaining exposure to product lifecycle management and cross-functional collaboration within a startup environment.
